Describe below any issues or areas to which special attention should be paid:

Service Options:

LSX Choice: \$12 per injector for flow test only, or \$20 per injector for flow test and cleaning.

We will flow test your injectors. If they do not require cleaning you will only be charged for the flow test. If cleaning is necessary we will continue this process at our discretion. Both processes include a flow sheet with test results as well as new seals and filters if applicable. Standard turn-around time is 2-3 days. For expediting options see below.

Flow Testing and Cleaning: \$20 per injector for flow test and cleaning

We will flow test, clean, and re-test injectors **regardless of initial results**. Includes a flow sheet with test results as well as new seals and filters if applicable. Standard turn-around time is 2-3 days. For expediting options see below.

Expediting Options:

Rush Service: \$7.50 per injector additional to expedite and flow or cleaning service to a 24 hour turn-around time (ships next business day after arrival.)

Important: We will email you once your service has been completed to discuss results and confirm billing and shipping info.
